

Hall Regulations for the Residents of Postgraduate Halls

Effective from August 2021

I. Preamble

Living in hostel is regarded as part of the learning process in the University as students may learn a great deal through their group activities. Hostel life not only gives students more opportunities to help one another, but also more chances to develop their intelligence, emotions and social abilities, thus fostering in them a sense of respect for the privileges of others, as well as a sense of personal responsibility.

II. General Guidelines

Hostel Fee and Payment

- (1) All residents have to commit to hostel accommodation by academic terms but payment can be submitted monthly. There are three terms in an academic year*. Residents who want to withdraw from the hostel in the subsequent term must tender the “Hostel Withdrawal Notification and Request for ‘Hostel Deposit’ Refund” form to the PGH Office before 20th of the previous month of the end of the term**. Late submission of the withdrawal form may result in forfeiting the \$3,500 deposit or part of it.
- (2) If residents do not tender the withdrawal form, they will be regarded as choosing to live in the hostel in the subsequent term and have to pay up to the end of the subsequent term.
- (3) Residents who withdraw from the Postgraduate Halls with special reasons such as graduation, internship, exchange and medical condition can apply exemption from committing to hostel accommodation by academic term and pay until the end of the leaving month. They have to submit the “Application for Exemption from Commitment of Term Hostel Accommodation” form and the “Hostel Withdrawal Notification and Request for ‘Hostel Deposit’ Refund” form to the PGH Office before 20th of the previous month***. Late submission of the two forms may result in forfeiting the \$3,500 deposit or part of it.
- (4) All residents are members of the Residents’ Association of the Postgraduate Halls. They are required to pay the Association’s activity fee and are encouraged to participate in the group activities sponsored by the Association.
- (5) Residents who for any reasons have outstanding hostel fee balance of 30 days or more may be subject to dismissal from the Postgraduate Halls. An overdue fine of \$200 per month will also be charged to these residents by the Donation and Projects Management Unit of the University. Outstanding reports will be sent to their divisions. The dismissed resident will not be entitled to any refund of deposit and room charge he/she has paid to the Hall.

* The first term starts from 1 August 2021 to 20 December 2021, the second term starts from 1 January 2022 to 31 May 2022 and the third term starts from 1 June 2022 to 18 July 2022.

** The deadline for submitting the “Hostel Withdrawal Notification and Request for ‘Hostel Deposit’ Refund” form for the second term is 20 November 2021 and for the third term is 20 April 2022.

***For example, a resident plans to leave on any day between 1 and 31 January 2022, he/she has to pay up to the end of January 2022 and submit the “Hostel Withdrawal Notification and Request for ‘Hostel Deposit’ Refund” before 20 December 2021.

Disciplinary Action

- (6) All residents shall observe the regulations of the Postgraduate Halls. Residents who violate any regulation may be subject to dismissal from the Hall and disciplinary action by the University. The chance of their future application for the Postgraduate Halls will be diminished. Reports of such violations will be sent to their divisions concerned or Graduate School when necessary.
- (7) Residents who do not abide by the Hall regulations or who cannot successfully adapt to hostel life should withdraw from the Hall. The Postgraduate Halls Management has the right to make such demands upon residents if necessary. The dismissed resident will not be entitled to any refund of deposit and room charge he/she has paid to the Hall.
