## **WELCOME MESSAGE**

Welcome to Postgraduate Halls (PGH)!

We are thrilled to have you as a member of our vibrant and inclusive community. Whether you are a new or returning resident, we hope that your stay at PGH will be enriching, fulfilling, and memorable.

Living in the hostels, you may meet new people, be exposed to new ideas, gain new connections, but may also encounter obstacles. Whether there are ups and downs, you can share with peers, seek support from resident tutors and hostel staff. Things may not always be smooth, however, there is always a way out.

Remember, your dormitory is not just a place to sleep and study — it's a community that supports your personal and academic growth. We hope that you make lifelong friendships, engage in meaningful conversations, and take full advantage of the unique experiences that living in our student hostels offer.

Wish you a memorable and enjoyable stay!

## **KEY POINTS TO NOTE DURING YOUR HALL RESIDENCE**

Hostels are a community and co-living environment where the space and facilities are shared by the residents. While you enjoy your hostel life, it is important to always be considerate and respectful, as well as to adhere to the hall regulations. Please DO NOT leave your CU-Link card or hostel keys to another person, host unauthorized visitors and opposite sex residents/visitors during non-visiting hours, sub-let your rooms or privately swap your room. Such behaviors are deemed as serious violations of the Hall Regulations and will be fined and penalized, resulting in termination of your hall residence.

Your hall residence period starts from 9am on the commencement day until 12 noon on the last day of the residence. You should check in the hostel on the commencement day. Requests for deferring your check-in should be made to the PGH General Office (the Office) in advance and it is subject to approval. Not showing up without seeking approval from the Office may result in the hall residence being terminated.

If you wish to move out the hostel earlier before the last day of your residence:

- You can apply to withdraw from subsequent term on or before
  - 20 November 2025, for discontinuing residence in the 2nd term, i.e. January to May
  - 20 April 2026, for discontinuing residence in the 3rd term, i.e. June to July
- You will be liable for paying hostel fee until term end if you early withdraw from the residence during term time, except for special circumstances, such as graduation, internship, exchange, or medical condition. Supporting documents should be provided when submitting withdrawal notification. Please consult the Office for details.
- Please resume your room to the condition it is upon your arrival and return hostel keys to the Office in person.

## **GENERAL INFORMATION**

### **1. Duration of hall residence period and room arrangement**

Hall residence in the Postgraduate Halls (PGH) is considered on a yearly basis. The academic year will be divided into three residence terms: 1 August to 19 December 2025, 1 January to 31 May 2026, and 1 June to 17 July 2026.

Once you complete online registration and/or obtain keys, you are required to commit to hall residence by residence terms, and hostel fee will be charged by monthly instalments.

There is no guarantee of accommodation or staying in the same room throughout the year. PGH General Office (the Office) may require you to move to alternative rooms for repair and maintenance, better room utilization or other reasons when necessary.

### **2. Termination of hall residence by PGH**

Hall residence will be terminated if your normative study period comes to an end, or you withdraw study from CUHK. You are required to submit the “Withdrawal Notification and Request for Hostel Deposit Refund” form to the Office for approval and leave the hall on or before the date specified by the Office.

Hall residence will be terminated as well if a resident does not show up on official check-in date and do not inform the Office in advance, or a resident cannot perform check-in within specific time frame assigned by the Office.

Violation of hall regulations, including but not limited to the followings, may result in termination of hall residence by PGH:

- Residents violate Hong Kong law or regulations of the University, store illegal goods in the hall (Hall Regulations III (1) – (3))
- Residents privately switch their accommodation, hosting visitors or anyone of opposite sex (including PGH residents) during non-visiting hours (11:00p.m. – 8:00a.m.), sub-let their accommodation or otherwise part with or allow any third party into possession (Hall Regulations III (4) – (6))
- Residents leave their CU-Link card and/or hostel keys to another person (Hall Regulations III (7) – (8))
- Residents cause damage to or interfere with hall property intentionally, including but not limited to furniture, equipment, fixture, or fittings (Hall Regulations III (15))
- Residents engage in misbehaviors which severely impact other people, including but not limited to verbal and behavioral harassment, theft, vandalism (Hall Regulations III (14), (16), (17), (20))

Residents who for any reason have outstanding hostel fee balance of 30 days or more may be subject to dismissal from the Postgraduate Halls as well.

The dismissed residents will not be entitled to any refund of deposit nor room charge he/she has paid to PGH.

### **3. Withdrawal from the hall by residents**

#### **(a) Withdrawal from a subsequent term**

If you would like to leave the hall by term end and withdraw from the hostel for a subsequent term, you are required to submit the “Hostel Withdrawal Notification and Request for Hostel Deposit Refund” form to the Office for approval no later than the cut-

off dates below. Hostel fee will be billed to the end of the term only.

- 20 November 2025, for discontinuing residence in the 2nd term
- 20 April 2026, for discontinuing residence in the 3rd term

If no withdrawal form is submitted, you will be regarded as continuing to live in the hall in the subsequent term and undertake to pay hostel fee up to the end of the subsequent term.

(b) Withdrawal during term time

If you would like to withdraw from the hall by early breaking the residence commitment before the term ends, the “Hostel Withdrawal Notification and Request for Hostel Deposit Refund” online form should be submitted on or before the 20<sup>th</sup> of the month in advance of the month you are going to leave.

Hostel fees will be charged for the remaining period of the term. Late submission of the form may result in forfeiting the \$3,500 deposit or part of it. (Hall Regulations II (1) – (3))

(c) Exemption from commitment of whole term hostel fee payments

Generally, hostel fees will be charged for the remaining period of the term if you withdraw your hall residence early before the term ends, except for successful application for exemption from commitment of hostel fee payments for whole term. Exemptions will be granted for following circumstances, such as graduation, internship, exchange, or medical condition. Supporting documents should be provided when submitting withdrawal notification. If an exemption is not granted, you have to pay hostel fee until the end of the term.

#### **4. Checking out from the hall**

Upon approval by the Office, residents are required to check out the hall on or before the time specified by the Office. Keys are required to be returned in person to the Office (or by registered post if you are physically away from the hall) by 12:00 noon on the day of departure.

You must resume the room condition and keep it clean and tidy. It means removing trash and disposing it to trash bin or garbage room. Bulky items are required to be disposed of at designated garbage collection points on campus. You must remove all personal items from your own resident room and all communal areas including the pantry/refrigerator/living room as well. You should make appointments with the Office if you wish to delegate other people to clean your room. Any personal belongings left in the room/hall will be discarded without any notification and compensation. Services fees will be charged to you if the room is not in a reasonably good condition, such as extra cleaning is required, damage/loss of furniture, equipment, fixtures, or fittings is found.

## **13. Damages and Liability**

Although fair tear and wear is expected, residents shall be liable to pay for any damage done to any hall property, fixtures, furniture, fittings or fabrics due to negligence, abusive use or misuse. In general, the cost includes repair or replacement, labour and administrative charges. If immediate payment is not forthcoming, the outstanding amount derived will be deducted from the deposit. (Hall Regulations III (15))

## **14. Repairs and maintenance**

### **(a) Request for repairs**

If any equipment or electrical appliances in communal areas or in rooms are found malfunctioning, you are advised to stop using the equipment or electrical appliances to avoid any accident or damage that may cause. Please also report to the Office for follow-up.

A Repairing Work Logbook is available at the counter of the Office for reporting defects and damages. Repairman will examine and fix the defects accordingly. Prolonged time for fixing the problem may be required in some cases subject to time of

goods/services delivery, such as replacement of air-conditioner, water dispenser, laundry machines, etc. Your patience is appreciated.

You should not contact other university units or third parties for repairing work except the ITSC for fixing the computer network. Otherwise, you will be required to pay for all the expenses charged by those units or parties.

(b) Repairs and maintenance carried out by the Office

Repairs and maintenance may be required from time to time to maintain the facilities of the hostels in good condition. This may include closing communal areas, entering residents' rooms, or repurposing the space to support the work. To minimize the impact on residents, we will give notice in advance and limit any noisy work to weekdays and Saturday between 9:00a.m and 6:00p.m., except for public holidays and Sunday. However, this may not always be possible depending on the nature of the work, e.g. emergency cases, issues related to health and safety.

## **15. Cleaning, wastes disposal and recycling**

Maintaining a pleasant living environment is essential for the well-being of all residents. While the Office will be responsible for maintaining the hygiene of the pantry, washroom, and other communal areas, it is the joint responsibility of the residents in keeping the areas clean and tidy.

Besides, residents are required to keep the hall and their own rooms neat and clean. You should neatly tie up garbage bags, which are available inside pantry cabinets, and dispose of it at the garbage bin at the nearest pantry daily. You should clean the pantry and communal areas after using, dispose of garbage and food remnants in garbage bins instead of the sink (to avoid clogging the sink). You may borrow mops, broom, vacuum cleaner, etc., from the Office to carry out regular cleaning.

The hallway and rear staircases, which are regarded as escape routes under fire ordinance, are required to be kept clear and unblocked. Items left in the areas will be removed for safety reasons without advance notice.

Please avoid airing clothes in the communal areas, leaving unwashed dishes in the pantry or other communal areas, or occupying the communal areas that dispossessing the rights of other residents of using the public facilities, contaminating the toilets and pantries. Such irresponsible behavior will result in warning letters being issued and fine payment, as well as diminished chance of future hall residence applications.

In case you want to dispose of bulky items or non-household waste, e.g. furniture, please dispose of the items at designated areas on campus.

Recycling bins for papers, plastic bottles, aluminum cans, carton boxes, are available in the hostels.

## **16. Pest control**

The Office will hire outsourced contractors to conduct preventive pest control regularly. To avoid pests thriving, you should ensure that all food is sealed before storing, food remnants are cleaned up immediately and cooking utensils and plates are cleaned after use. In case of pests being found, for example, termites or cockroaches, you should inform the Office for follow-up as soon as possible for applying pesticide which is available for borrowing at the counter. In case the service of an outsourced contractor is required in your room, additional charges may apply to you.

## 17. Visitors

Having visitors, such as friends and relatives, is part of life living in the hall. It is important to ensure a harmonious and safe environment for everyone. Please follow the rules stated below.

### (a) Visitors

You can sign up with your visitors at the counters during visiting hours from 8:00a.m. to 11:00p.m. Visitors should pin the visitor card issued by the office. This is for easy identification and to avoid any misunderstanding among residents. Visitors must be accompanied by the host residents all the time. Visitors found in resident's room without the presence of the host resident will be subject to penalty as unauthorized visitors in non-visiting hours.

### (b) Behaviors of visitors

Visitors should adhere to the same standard of behavior that is expected of residents. You will be held responsible for the conduct of your visitors and may be liable for the cost of any damage or disturbance caused by your visitors.

### (c) Overnight Visitors

Subject to availability of place, consent from the roommate and the University's special policy, if you wish to host an overnight visitor, you may apply and pay the fees (\$70/night) at the counter before 11:00pm (usually not more than 4 nights a week). The visitor must be a CUHK student and of the same gender as the host.

The host of unauthorized visitor will be fined a minimum of \$1,000 for the first night and \$500 for each night afterwards and will be subject to penalty.

Apart from visiting hours, no visitor of opposite sex (including Postgraduate Halls' residents) is allowed in the bedrooms. Once unauthorized visitors are found in the residents' rooms in non-visiting hours, both the hosting residents and the unauthorized visitors (if the unauthorized visitors are students of CUHK) will be subject to fine and penalty.

For non-local direct relatives as visitors with genuine need, please consult the Office for details.

For security reasons, you **MUST NOT** leave your CU-Link card and keys to anyone else, including your visitors. Visitors are not allowed as well if host residents are away from the hall, for instance, on leave, out of hostel, etc.

## 18. Mails and parcels

There is one hostel mailbox for each room (shared by 2 or 3 residents in case of a shared room). Please check the mailbox regularly.

You may use an address like the sample below for receiving mails:

*Mr. Chan Tai Man  
Room 101,  
Jockey Club Postgraduate Hall 1,  
CUHK,  
Sha Tin, N.T., Hong Kong*

Mail received for residents who have checked out from the hall is returned to the sender. We regret that no mail storage or forwarding services could be provided for former residents.

It is common to shop online for convenience nowadays. You should be responsible for receiving your posts and parcels. If you are unable to do so, you are advised to seek help from friends to receive the parcels on your behalf. The Office is not responsible for any damage or loss of any unregistered and unattended parcels left in communal areas, including outdoor areas near the halls.

If you would like to authorize the Office to receive small parcels or speed posts on your behalf, please register at the Office counter and state clearly what is inside the parcel. You should collect your parcels within three days after being notified by the Office. Late collection will involve an administrative fee of HK\$10 per day. Registered letters or parcels without authorization in advance and clear description of the content, or parcels containing items worth more than \$1,000 or large parcels (over 300mm x 300mm x 300mm) will not be received by the Office.

To be environmentally friendly, please dispose of carton boxes to designated bins which are located on G/F of the hostels for recycling.

## **19. Bicycles**

Bicycle racks are provided across campus to which bicycles may be secured. All bicycles parked are at the owners' risk. You are recommended to use locks with good quality to secure your own bicycle.

You should register at the Office if you would like to park your bicycle at the parking area at PGH.

Bicycles abandoned in the PGH parking area and bicycles without a permit will be removed and disposed of by the Office regularly to maintain parking space for residents in need. No compensation will be available for disposed bicycles.

Owners who will check out from PGH are obliged to remove their own bicycles by the end of their hall residence. A charge of \$500 will be imposed as the administrative cost of disposing of the bicycle if any owner is found abandoning the bicycle in the area.

## **20. Health and mental wellbeing**

It may be the first experience for one to live independently in student accommodation where facilities and space are being shared among residents. It could be difficult for non-local residents, who have limited opportunities to return home during the academic year, to adapt to the new environment. If you feel stressed, have any personal problems, you may wish to talk to our Resident Tutors (contacts posted on notice board) and/or Residents' Association ([pghra@link.cuhk.edu.hk](mailto:pghra@link.cuhk.edu.hk)) regarding your concerns, seek help from Sunshine@CUHK ([link](#)) or Wellness and Counselling Centre ([link](#)).

If you encounter with any physical health issues, you are recommended to seek medical consultation University Medical Service Office ([link](#)).

## **21. Noise**

Always be considerate of other residents and respect their need for quiet time. This is particularly important in shared rooms. Please keep the noise level as low as possible, especially during 11:00p.m – 8:00a.m., in the hall, close the door softly, tune

TV/radio/amplifier to a reasonable volume level, turn off alarm clock when you are not in the room, talk softly, etc.

## **23. Keeping up to date**

Please be reminded that all residents are responsible for observing notices and announcements posted on the noticeboards in the hall. Notices are also sent to the email address as provided to the Office in the hall residence application. Please visit our webpage <http://www.pgh.cuhk.edu.hk> regularly for the latest information.

Residents are responsible for updating the Office if their email address or contact phone number has been changed. Failure to do so will not be taken as an excuse in financial matters or disciplinary.

## **24. Temporary absence**

Normally, every resident is expected to stay in the hall for at least four nights each week. If residents stay away overnights or will temporarily leave the hall for over one week, please inform the Office. It may cause concerns if residents are “missing” without any notice.

## **25. Enquiries, opinions and complaints**
